I am an employer or parent/carers, and would like to support you

If you'd like to support us, we'd be very keen to hear how you can support. We are very keen for the following:

- Employer Encounters (Opportunities to speak to a group of students about your career, how you go there, skills required)
- Mentoring (Supporting a student to transition into an apprenticeship or college placement)
- Work Experience (Offering a placement to students to be able to access a place of work)
- Curriculum links (providing time during curriculum time to explain how your work links your area)

If you would like to get in touch, please contact **Nurcan Irencin** to find out more (nurcan.irencin@tta.org.uk).
