

Education with Character

At The Totteridge Academy, we believe that school plays a crucial role in developing and shaping our students for the future. The opportunities we provide are essential for building character, and we are committed to ensuring that every child experiences these during their time in secondary school. Our Education with Character provision outlines our commitment to offering an excellent and diverse range of opportunities beyond the classroom. Extra-Curricular Clubs & Opportunities:

At The Totteridge Academy, we strive to offer a wide range of clubs throughout the day, accessible to students in every year group. Our goal is to ensure these clubs reflect student interests and allow both teaching and non-teaching staff to share their expertise. Clubs start in October, and in the Spring term, students can suggest new clubs for the Summer term through an online survey, which we will accommodate where possible.

Every student will receive a copy of the extra-curricular timetable, which is also available in our weekly parent newsletter.
