What happens if there is incorrect uniform:

- If a student has forgotten a blazer or their school shoes at home, parents will be contacted, and students will be asked to return home to collect their uniform and then return to school.
- If a student has nail colour, they will be asked to remove it at student services (if it's normal paint). If a student has acrylics, parents will be contacted and a time for when they will be removed will be agreed.
- If a student has broken their shoes and parents/carers have ordered a replacement, the school can lend students a pair from our supply until their purchase has arrived. If we do not have their size, their Director of Learning will authorise black trainers.
- If a student has broken their shoes and parents/carers are unable to buy a replacement immediately, please contact your child's Director of Learning for further support/guidance.
